The Union Label and Service Trades Department, AFL-CIO does its best to verify that products listed on our "Do Buy" lists are made by union members. In many cases products are made by both union employees and in non-union plants. As well, many manufacturers produce goods in the U.S. and other countries. Be sure to check product packaging for country of origin and, of course, the union label.

Should you see an error in our list please contact us at ulstd@unionlabel.org and we will correct our records. Don't see your union-made product listed, be sure to send us an e-mail and let us know what products your company makes and which union it is made by.

AMERICA IS AT ITS BEST WHEN YOU SHOP AND SAY "UNION YES!"
