Did you know that you own millions of acres of national parks, historic structures, cultural artifacts, ancient forests, snow-capped mountains, and clear blue lakes? Our public lands and waters belong to all Americans and are waiting for you to explore them!

You also employ thousands of union members who staff federal parks and monuments. AFSCME represents thousands of municipal workers at city and state parks and zoos. Interior Department workers who staff federal parks and monuments are also union members (NFFE, an affiliate of the IAM). And AFGE represents employees who build exhibits, conduct research and maintain the world-renowned Smithsonian Institute Museum in Washington, DC.

Support good jobs by visiting our national parks and other federal lands.
