

UNION MADE tires

Tires sold in the United States carry codes that help customers determine where they were made. **Buyers can find USW-made tires** by finding codes that appear something like this: “DOT BE XX XXX XXX.” The two letters or numbers that follow the DOT identify a company and location as listed below:

- » BE: B.F. Goodrich – Tuscaloosa, Ala.
- » BF: B.F. Goodrich – Woodburn, Ind.
- » VE, YE, YU, 8B: Bridgestone/Firestone – Des Moines, Iowa
- » D2, E3, W1, Y7: Bridgestone/Firestone – La Vergne, Tenn.
- » 2C, 4D, 5D: Bridgestone/Firestone – Morrison, Tenn.
- » UP: Cooper – Findlay, Ohio
- » UT: Cooper – Texarkana, Ark.
- » JU, PC, UK: Goodyear – Medicine Hat, Alberta, Canada
- » DA: Dunlop/Sumitomo/Falken – Buffalo, N.Y.
- » JN, MJ, PY: Goodyear – Topeka, Kan.
- » JE, MC, PT: Goodyear – Danville, Va.
- » JF, MM, PJ: Kelly-Springfield – Fayetteville, N.C.
- » CF: Titan Tire – Des Moines, Iowa
- » JH, MN, PK: Titan Tire – Freeport, Ill.
- » B plus serial #: Titan Tire – Bryan, Ohio
- » CC: Yokohama Tire – Salem, Va.
