All these vehicles are made in the United States or Canada by members of the United Auto Workers and Canadian Auto Workers (CAW).

However, those marked with an asterisk (*) are produced in the United States and another country. The light-duty (LD) crew cab versions of the vehicles marked with a double asterisk (**) are manufactured only in Mexico; other models are made in the United States. When purchasing one of these models, check the Vehicle Identification Number (VIN). A VIN beginning with “1,” “4” or “5” identifies a U.S.-made vehicle; “2” identifies a Canadian-made vehicle.

Not all vehicles made in the United States or Canada are built by union-represented workers. Vehicles not listed here, even if produced in the United States or Canada, are not union-made.
